

# Critical Information Summary: NBN Business 50 ADVANCED

## Service Information

**Service Description** The service is a broadband Internet service which uses the **nbn**<sup>TM</sup> network and provides access to the Internet and related services, such as VoIP and email.

**Minimum term(s)** 24 months | No Contract

**Offer Includes**

- 50/20Speed (Up to 50Mbps download speed and up to 20Mbps upload speed).
- 1 Static IPV4 IP Address

**Offer Excludes**

- Wifi Hub Email address.
- Central splitter for FTTB/N in standard installations.

**Important Information**

**Offer Conditions**

- You must be the owner of the property (or have the owner's consent) before NBN is installed
- Your service may be restricted if you fail to pay your bill on time
- To use the service you require **nbn** compatible router. These may be purchased from the Wifi Hub Sales Team.

**Service Availability**  
Wifi Hub's **nbn** services are subject to availability and coverage.

**nbn Speeds**  
Denoted as maximum port speed, the actual speed you can achieve could vary due to a number of factors including but not limited to the access technology type used, the performance of the local infrastructure and cabling, the number of users in your area, the equipment you use, the source and destination of content you access on the internet. Therefore, Wifi Hub can NOT guarantee you will get the maximum port speed.

## Information about Pricing (All prices include GST)

**Setup Fees** \$0 (24 months) | \$199 (No Contract)

**New Developments Charge** If you're in a new development and not already connected to the **nbn**, NBN Co may charge **\$300** to connect your premises to **nbn** services. If applicable, the charge will be passed to you through Wifi Hub.
